Caption: 10 words

Three-Year Local Option Tax for Animal Control and Shelter Services.

Question: 20 words

Shall County impose \$0.21 per \$1,000 of assessed value for operations of animal control services for three years beginning 2011-2012? This measure may cause property taxes to increase more than three percent.

Summary: 175 words

Approval of this measure would allow Wasco County to continue to provide funding for animal control and animal shelter services for all areas of Wasco County, including all cities. This levy will include funding of an Animal Control Officer and associated shelter staff, vehicle operation and maintenance, supplies, as well as food, medical supplies/treatments, adoption, spay and neuter services. The funding will provide seven days per week of animal care services at the Wasco County Animal Shelter, with the shelter being open five days per week, including limited Saturday hours. Without this revenue the hours of operation and/or services provided at the Animal Shelter will have to be reduced or eliminated. Examples of services that could be eliminated include, taking dogs into the shelter on a drop-in basis, adoption of dogs and cats, and maintaining dogs alive at the shelter for periods longer than the minimum required by law.

The proposed rate will raise approximately \$360,780.00 in 2011-2012, \$371,603.00 in 2012-2013, and \$382,751.00 in 2013-2014.

The following authorized county official hereby certifies the above ballot title is true and complete.
