Dear Wasco County Planning executives and staff,

Thank you for the opportunity to weigh in on the land use ordinance to regular commercial and non-commercial energy sitings in Wasco County.

I live in the Rowena area between Mosier and The Dalles within the Columbia Gorge Scenic area boundary. I am committed to the protection of the Columbia Gorge Scenic Area. These protections need to continue. I also want to see at least 1.5 mile setback from all non-resource zone lands.

This should be with no exceptions or waivers. It is important that there is also a 1.5 mile sets from dwellings in resources zones where an option could be granted for a waiver.

Please continue to keep me posted and on any listserves to receive information about energy facilities or related matters in Wasco County.

I appreciate it.

Best wishes,

Mimi Maduro
