101.010 SHORT TITLE

This Ordinance shall be known as the SOLID WASTE COLLECTION AND DISPOSAL ORDINANCE, and may be so cited and pleaded and shall be cited herein as "this Ordinance."

101.020 PURPOSE AND POLICY

To protect the health, safety, and welfare of the people of Wasco County and to provide a coordinated program on accumulation, collection, and disposal of wastes and solid wastes, it is declared to be the public policy of Wasco County to regulate accumulation, collection, and disposal of wastes and solid wastes and the creation and operation of disposal sites to:

- (1) Provide for safe and sanitary accumulation, storage, collection, transportation, and disposal of solid wastes.
- (2) Prohibit and provide for abatement of accumulation of wastes or solid wastes on private property in such manner so as to create a public nuisance, a hazard to health, or a condition of unsightliness.
- (3) Develop a regional long-range plan to provide adequate disposal sites and disposal facilities to meet future demands.
- (4) Provide a coordinated County-wide program of control of solid wastes in cooperation with Federal, State, and local agencies responsible for the prevention, control, or abatement of air, water, and ground pollution.
- (5) Provide for, and encourage research, studies, surveys, and demonstration projects on developing more sanitary, efficient, and economical solid waste disposal systems and programs.

10 Ordinance, Resolution or Regulation, or by provision of State
11 Law or State Administrative Regulation, then the more
12 restrictive shall govern.

Written notice shall be given by the Administrator to any person who holds a disposal franchise for service to all or part of the area that reasonably would be served under the application.

Upon the basis of the application, evidence submitted, and results of any investigation, the Committee shall make a finding on the qualifications of the applicant; whether or not additional service, land, equipment and/or facilities should be provided and what conditions of service should be imposed, including but not limited to whether the site should be opened to the public and under what conditions; whether or not certain types of wastes, solid wastes, or hazardous wastes should be excluded from the site or should be required to be accepted at the site; whether or not the site is economically feasible; whether or not the site may be integrated with existing private or county-owned or operated sites; and whether or not the site complies with all rules and regulations adopted pursuant to ORS Chapter 459 of this Ordinance.

On the basis of its findings, the Committee shall recommend to the County Court whether or not the application should be granted, be denied, or be modified. The County Court shall issue an order granting, denying, or amending the application.

103.060 APPEAL ON A FRANCHISE

If the Order of the County Court is adverse to the applicant or to the holder of an existing franchise, it shall not become effective until 30 days after the date of said Order unless

the County Court finds that there is an immediate and serious danger to the public or that a health hazard or public nuisance would be created by a delay.

The applicant or a franchise holder may request a public hearing before the County Court upon the County Court's Order by filing a written request for the hearing with the County Court within 30 days after the date of said Order. On the filing of such request for hearing the County Court shall set a time and place for a public hearing upon its Order, which hearing shall not be more than 30 days from the date of said request for hearing. The applicant or franchise holder may submit relevant evidence to the County Court upon the County Court's Order. Other interested persons or affected public or private agencies may appear and offer oral or written testimony. The County Court may, following the public hearing, affirm, modify, or rescind its prior Order.

Subject to provisions of Section 108.500, the determination of the County Court after conclusion of said public hearing shall be final.

If the County Court makes a final Order rejecting all or part of the application for a franchise, the applicant may not submit another application for the same service area or a portion thereof or the same disposal site for a period of six months unless the County Court finds that the public interest requires reconsideration within a shorter period of time.

103.070 EXCLUSIVE OR JOINT SERVICE UNDER A FRANCHISE

If the County Court finds upon recommendation of the Committee that an applicant for a collection franchise cannot provide service to a single customer, a group or type of customers, or for a particular type or unusually large quantity of solid waste, it may issue a franchise for joint service with another person who can provide that service, provided, however, that in all cases in which the County Court finds that the applicant is able to provide adequate service within the defined service area it shall issue an exclusive franchise for that area to the applicant.

If the holder of a franchise is unable to provide service for particular types or unusually large quantities of solid wastes, the County Court may issue a temporary or permanent franchise to another person for the limited purpose of providing service to the customer or customers having such particular type or unusually large quantity of solid wastes.

If the County Court finds upon recommendation of the Administrator that the need for service justifies action before a

103.080 TRANSFER OF FRANCHISES

A franchise holder may transfer his franchise or a portion thereof to other persons only upon written notice to and approval by the County Court.

Upon a recommendation and finding of the Committee the County Court shall approve the transfer if it finds that the transferee meets all applicable requirements met by the original franchise holder. The County Court shall approve or disapprove any application for transfer of a franchise within 30 days of receipt of notice by the County Court unless the County Court finds there is a substantial question of public health or safety involved which requires additional time for investigation and decision.

Upon recommendation of the Committee the County Court may permit a franchise to be pledged as security for purchase of land, equipment, or facilities needed to provide service or to finance purchase of a business providing service under this Ordinance. The County Court may attach whatever conditions it deems appropriate to guarantee maintenance of service.

103.090 RESPONSIBILITIES OF FRANCHISE HOLDERS

(1) The holder of a collection franchise:

(a) Shall provide required service, equipment, and facilities, but not less than service, equipment, and facilities commensurate with existing service provided within the service area defined in the franchise, within one month from the date of issuance of the franchise unless the County Court extends the time upon showing of reasonable grounds by the applicant. In the event an area is not receiving service on the date of the application for a franchise covering such area, the County Court may order that service be provided at such time as it finds to be reasonable.

(b) Shall not voluntarily discontinue service to the service area or any substantial portion thereof or any customer without giving 90 days written notice of the proposed discontinuance of service to the Administrator and to his customers and shall not discontinue the service without receiving the approval of the County Court. prohibit a franchisee from refusing to provide service to a customer if the customer refuses to pay for the service in accordance with rates established pursuant to this Ordinance or for other reasons as may be established by the County Court by regulation, provided, however, in no event shall the holder of any franchise terminate such service without seven days prior written notice notifying his customers and the Administrator of the holder's intention to terminate service. A franchise holder who has discontinued service on the basis of a refusal of a customer to pay for such service may demand that the customer pay in advance a reasonable deposit to guarantee payment for future services before reinstating such service.

Nothing in this subsection shall apply to any Order for a change, restriction, or termination of service by any public agency, public body, or Court having jurisdiction.

(c) May contract with another person to provide service within a service area after giving written notice to and obtaining approval of the Administrator. The Administrator shall approve the contract unless he finds that the quality or extent of service would be jeopardized.

(d) May refuse service to a customer upon reasonable grounds when approved by the Administrator upon a finding that service at the particular location would jeopardize the safety of the driver of the collection vehicle or the motoring public, that the customer has not provided reasonable access to the pickup point for the containers storing solid wastes without hazard or risk to the person providing service, or that weather conditions prevent service to the particular customer.

(2) The holder of a disposal franchise:

(a) Shall not voluntarily discontinue service without giving at least 90 days written notice of the proposed discontinuance of service to the County Court and to any franchisee using his disposal site and further receiving the approval of the County Court prior to discontinuing said service. This paragraph shall not apply to any Order for closure or restriction of use by any public agency, public body, or Court having jurisdiction.

The Administrator shall approve the contract unless he finds that the quality or extent of service would be jeopardized. In making his determination, the Administrator shall consult with the Wasco County Health Department.

(c) May refuse disposal service to any customer if the customer refuses to pay for the service in accordance with the rates established pursuant to this Ordinance. A franchise holder who has discontinued service for refusal of a customer to pay for such service may demand that the customer provide a reasonable deposit in advance to guarantee payment for future service prior to reinstating such service.

103.100 ENFORCEMENT OF FRANCHISE PROVISIONS

The Administrator shall upon reasonable cause make an investigation to determine if there is sufficient reason and cause to suspend, modify, revoke, or refuse to renew a franchise as provided in this section. If in the opinion of the Administrator, there is sufficient evidence to constitute a violation of this Ordinance or ORS Chapter 459, or the rules or regulations promulgated under either, the Administrator shall notify the holder of the franchise in writing of the alleged violation, delineate in said notice the steps that must be taken to cure the violation and inform the holder that he must comply with the requirements set forth in said notice. The Administrator shall notify the Committee of said violation. Upon a finding that a violation exists and that the franchisee is unable or refuses to cure the violation, the Committee shall make its recommendation to the County Court that the franchise be suspended, modified, or revoked or that it not be renewed.

103.110 SUSPENSION, MODIFICATION, REVOCATION, OR REFUSAL TO RENEW A FRANCHISE

(1) Upon recommendation by the Committee or upon its own motion the County Court may suspend, modify, revoke, or refuse to renew a franchise upon finding that the holder thereof has:

(a) Willfully violated this Ordinance or ORS Chapter 459, or the rules or regulations promulgated thereunder; or

(b) Materially misrepresented facts or information given in the application for the franchise; or

(d) Misrepresented the gross receipts from the franchised service area or, if required to report on such receipts, the gross receipts from operation of a franchised disposal site.

(2) In lieu of immediate suspension, modification, revocation, or refusal to renew a franchise, the County Court may order compliance and make the suspension, modification, revocation, or refusal to renew a franchise contingent upon compliance with the Order within the period of time stated in said Order.

(3) If the County Court suspends, modifies, revokes, or refuses to renew the franchise, the action shall not become effective until 30 days after the date of the order unless the County Court finds that there is a serious and immediate danger to the public health or that a public nuisance would be created. The holder of a franchise may request a public hearing before the County Court upon the County Court's Order by filing a written request for such hearing with the County Court within 30 days after date of said Order. Upon filing of said request for hearing, the County Court shall set a time and place for a public hearing upon its Order, which hearing shall be no more than 30 days from the date of filing of said request for hearing. The franchise holder and other interested persons or affected public agencies may submit oral or written evidence to the County Court relevant to the County Court's Order. The County Court may, following the public hearing, affirm, amend, or rescind its prior Order. Subject to provisions of Section 108.500, the determination of the County Court after conclusion of said public hearing shall be final.

103.120 PREVENTING INTERRUPTION OF SERVICE

The holder of any franchise agrees, and it is a condition of his obtaining and holding the franchise that whenever the County Court finds that the failure of service would result in creation of health hazards or public or private nuisance, the County Court, after reasonable notice, but not less than 24 hours notice to the franchisee and a public hearing if the franchisee requests such hearing, shall have the right to authorize another franchise holder or other person to provide service or to use and operate the land, facilities, or equipment of the franchise holder through leasing to provide

The term for collection franchises shall be ten years unless the County Court finds that a longer or shorter term is required in the public interest.

103.150 FRANCHISE FEES

(2) Upon recommendation of the Committee the County Court may establish uniform rates throughout the County or may establish rates within zones based upon the length of haul or other factors which may, in the opinion of the County Court, justify establishment of rate differentials.

(3) When establishing rates for disposal sites, in addition to other factors specified in this section, the County Court shall consider the type of site, the cost of operation of such site, whether or not the site is open to the public, the type of waste to be disposed of and cost of compliance with Federal, State, and local laws and regulations, together with such other factors which may in the opinion of the County Court affect the rates to be charged.
