the site or should be required to be accepted at the site;
whether or not the site is economically feasible; whether or not
the site may be integrated with existing private or county-owned
or operated sites; and whether or not the site complies with all
rules and regulations adopted pursuant to ORS Chapter 459 of
this Ordinance.

On the basis of its findings, the Committee shall recommend to
the County Court whether or not the application should be
granted, be denied, or be modified. The County Court shall
issue an order granting, denying, or amending the application.

103.060 APPEAL ON A FRANCHISE

If the Order of the County Court is adverse to the applicant
or to the holder of an existing franchise, it shall not become
effective until 30 days after the date of said Order unless

91-0235

1 the County Court finds that there is an immediate and serious
2 danger to the public or that a health hazard or public nuisance
would be created by a delay.

3 The applicant or a franchise holder may request a public hearing
4 before the County Court upon the County Court's Order by filing
5 a written request for the hearing with the County Court within
6 30 days after the date of said Order. On the filing of such
7 request for hearing the County Court shall set a time and place
8 for a public hearing upon its Order, which hearing shall not be
9 more than 30 days from the date of said request for hearing.
The applicant or franchise holder may submit relevant evidence
to the County Court upon the County Court's Order. Other
interested persons or affected public or private agencies may
appear and offer oral or written testimony. The County Court
may, following the public hearing, affirm, modify, or rescind its
prior Order.

10 Subject to provisions of Section 108.500, the determination of
11 the County Court after conclusion of said public hearing shall
be final.

12 If the County Court makes a final Order rejecting all or part of
13 the application for a franchise, the applicant may not submit
14 another application for the same service area or a portion
15 thereof or the same disposal site for a period of six months
unless the County Court finds that the public interest requires
reconsideration within a shorter period of time.

16 103.070 EXCLUSIVE OR JOINT SERVICE UNDER A FRANCHISE

17 If the County Court finds upon recommendation of the Committee
18 that an applicant for a collection franchise cannot provide
19 service to a single customer, a group or type of customers, or
20 for a particular type or unusually large quantity of solid
21 waste, it may issue a franchise for joint service with another
person who can provide that service, provided, however, that
in all cases in which the County Court finds that the applicant
is able to provide adequate service within the defined service
area it shall issue an exclusive franchise for that area to
the applicant.

22 If the holder of a franchise is unable to provide service for
23 particular types or unusually large quantities of solid wastes,
24 the County Court may issue a temporary or permanent franchise
25 to another person for the limited purpose of providing service
to the customer or customers having such particular type or
unusually large quantity of solid wastes.

26 If the County Court finds upon recommendation of the Admin-
istrator that the need for service justifies action before a

1 complete investigation and final determination can be made it
2 may Order the Administrator to issue a temporary certificate
3 valid for a stated period not to exceed six months entitling
4 a person to serve a defined service area or customers.

103.080 TRANSFER OF FRANCHISES

A franchise holder may transfer his franchise or a portion thereof to other persons only upon written notice to and approval by the County Court.

Upon a recommendation and finding of the Committee the County Court shall approve the transfer if it finds that the transferee meets all applicable requirements met by the original franchise holder. The County Court shall approve or disapprove any application for transfer of a franchise within 30 days of receipt of notice by the County Court unless the County Court finds there is a substantial question of public health or safety involved which requires additional time for investigation and decision.

Upon recommendation of the Committee the County Court may permit a franchise to be pledged as security for purchase of land, equipment, or facilities needed to provide service or to finance purchase of a business providing service under this Ordinance. The County Court may attach whatever conditions it deems appropriate to guarantee maintenance of service.

103.090 RESPONSIBILITIES OF FRANCHISE HOLDERS

(1) The holder of a collection franchise:

(a) Shall provide required service, equipment, and facilities, but not less than service, equipment, and facilities commensurate with existing service provided within the service area defined in the franchise, within one month from the date of issuance of the franchise unless the County Court extends the time upon showing of reasonable grounds by the applicant. In the event an area is not receiving service on the date of the application for a franchise covering such area, the County Court may order that service be provided at such time as it finds to be reasonable.

(b) Shall not voluntarily discontinue service to the service area or any substantial portion thereof or any customer without giving 90 days written notice of the proposed discontinuance of service to the Administrator and to his customers and shall not discontinue the service without receiving the approval of the County Court. Nothing in this section shall

1 prohibit a franchisee from refusing to provide service
2 to a customer if the customer refuses to pay for the
3 service in accordance with rates established pursuant
4 to this Ordinance or for other reasons as may be
5 established by the County Court by regulation, pro-
6 vided, however, in no event shall the holder of any
7 franchise terminate such service without seven days
8 prior written notice notifying his customers and the
9 Administrator of the holder's intention to terminate
10 service. A franchise holder who has discontinued
11 service on the basis of a refusal of a customer to pay
12 for such service may demand that the customer pay in
13 advance a reasonable deposit to guarantee payment for
14 future services before reinstating such service.

15 Nothing in this subsection shall apply to any Order for
16 a change, restriction, or termination of service by
17 any public agency, public body, or Court having
18 jurisdiction.

19 (c) May contract with another person to provide service
20 within a service area after giving written notice
21 to and obtaining approval of the Administrator. The
22 Administrator shall approve the contract unless he
23 finds that the quality or extent of service would be
24 jeopardized.

25 (d) May refuse service to a customer upon reasonable
26 grounds when approved by the Administrator upon a
finding that service at the particular location would
jeopardize the safety of the driver of the collection
vehicle or the motoring public, that the customer
has not provided reasonable access to the pickup
point for the containers storing solid wastes without
hazard or risk to the person providing service, or
that weather conditions prevent service to the par-
ticular customer.

(2) The holder of a disposal franchise:

(a) Shall not voluntarily discontinue service without
giving at least 90 days written notice of the
proposed discontinuance of service to the County Court
and to any franchisee using his disposal site and
further receiving the approval of the County Court
prior to discontinuing said service. This paragraph
shall not apply to any Order for closure or restriction
of use by any public agency, public body, or Court
having jurisdiction.

PA1-0235

1 (b) May contract with another person to operate the dis-
2 posal site after giving written notice to and obtaining
3 the approval of the Administrator. The Administrator
4 shall approve the contract unless he finds that the
quality or extent of service would be jeopardized.
In making his determination, the Administrator shall
consult with the Wasco County Health Department.

5 (c) May refuse disposal service to any customer if the
6 customer refuses to pay for the service in accordance
7 with the rates established pursuant to this Ordinance.
8 A franchise holder who has discontinued service for
9 refusal of a customer to pay for such service may
demand that the customer provide a reasonable deposit
in advance to guarantee payment for future service
prior to reinstating such service.

10 103.100 ENFORCEMENT OF FRANCHISE PROVISIONS

11 The Administrator shall upon reasonable cause make an invest-
12 igation to determine if there is sufficient reason and cause
13 to suspend, modify, revoke, or refuse to renew a franchise as
14 provided in this section. If in the opinion of the Admin-
15 istrator, there is sufficient evidence to constitute a
16 violation of this Ordinance or ORS Chapter 459, or the rules
17 or regulations promulgated under either, the Administrator
18 shall notify the holder of the franchise in writing of the
alleged violation, delineate in said notice the steps that must
be taken to cure the violation and inform the holder that he
must comply with the requirements set forth in said notice.
The Administrator shall notify the Committee of said violation.
Upon a finding that a violation exists and that the franchisee
is unable or refuses to cure the violation, the Committee shall
make its recommendation to the County Court that the franchise
be suspended, modified, or revoked or that it not be renewed.

19 103.110 SUSPENSION, MODIFICATION, REVOCATION, OR REFUSAL TO RENEW
20 A FRANCHISE

21 (1) Upon recommendation by the Committee or upon its own motion
22 the County Court may suspend, modify, revoke, or refuse
to renew a franchise upon finding that the holder thereof
has:

23 (a) Willfully violated this Ordinance or ORS Chapter 459,
24 or the rules or regulations promulgated thereunder; or

25 (b) Materially misrepresented facts or information given

(d) Misrepresented the gross receipts from the franchised service area or, if required to report on such receipts, the gross receipts from operation of a franchised disposal site.

(2) In lieu of immediate suspension, modification, revocation, or refusal to renew a franchise, the County Court may order compliance and make the suspension, modification, revocation, or refusal to renew a franchise contingent upon compliance with the Order within the period of time stated in said Order.

(3) If the County Court suspends, modifies, revokes, or refuses to renew the franchise, the action shall not become effective until 30 days after the date of the order unless the County Court finds that there is a serious and immediate danger to the public health or that a public nuisance would be created. The holder of a franchise may request a public hearing before the County Court upon the County Court's Order by filing a written request for such hearing with the County Court within 30 days after date of said Order. Upon filing of said request for hearing, the County Court shall set a time and place for a public hearing upon its Order, which hearing shall be no more than 30 days from the date of filing of said request for hearing. The franchise holder and other interested persons or affected public agencies may submit oral or written evidence to the County Court relevant to the County Court's Order. The County Court may, following the public hearing, affirm, amend, or rescind its prior Order. Subject to provisions of Section 108.500, the determination of the County Court after conclusion of said public hearing shall be final.

103.120 PREVENTING INTERRUPTION OF SERVICE

The holder of any franchise agrees, and it is a condition of his obtaining and holding the franchise that whenever the County Court finds that the failure of service would result in creation of health hazards or public or private nuisance, the County Court, after reasonable notice, but not less than 24 hours notice to the franchisee and a public hearing if the franchisee requests such hearing, shall have the right to authorize another franchise holder or other person to provide service or to use and operate the land, facilities, or equipment of the franchise holder through leasing to provide

PA-0235

1 emergency service in the event of a serious interruption of
2 service to all or to a class or group of customers for so long
as such interruption continues.

3 103.130 TERM OF FRANCHISES

4 Franchises shall be renewable unless grounds exist for refusal
5 to renew pursuant to Section 103.010 of this Ordinance.

6 The term for collection franchises shall be ten years unless
7 the County Court finds that a longer or shorter term is
8 required in the public interest.

9 The term for disposal franchises shall be determined by the
County Court upon the basis of the recommendation of the
Committee based on site longevity, population to be served,
and probable use.

10 103.150 FRANCHISE FEES

11 (1) The County Court shall collect in the manner and at the
12 time provided in this section from the holder of:

13 (a) Any collection franchise an annual fee of \$100.00
14 per collection vehicle used in providing collection
service on July 1 of the year and payable to Wasco
County on July 1 of each year.

15 (b) Any disposal franchisee, a franchise fee of 4% of its
16 gross revenues from garbage disposal, payable
monthly by the 20th of the month.

17 (2) Every collection franchise holder shall maintain books
18 and records disclosing the gross receipts from his service
19 area, which books and records shall be open at reasonable
20 times and places for audit by authorized personnel of Wasco
21 County. When reasonably required by the County Court the
holder of a disposal site franchise shall maintain books
and records disclosing gross receipts at the disposal
site, which books and records shall likewise be available
for audit.

22 (3) Any disposal franchisee failing to pay the franchise
23 fee by the time specified in Subsection 1(b) of this
24 Section is delinquent and shall pay a penalty fee in
25 addition to the required franchise fee. The penalty
26 fee shall be \$100.00 for each day the payment is
delinquent.

13 designates, may conduct an investigation for that purpose.
14 In conducting such an investigation, the Court, or whomever
15 it designates, may administer oaths, subpoena and require

- (2) Upon recommendation of the Committee the County Court may establish uniform rates throughout the County or may establish rates within zones based upon the length of haul or other factors which may, in the opinion of the County Court, justify establishment of rate differentials.

- (3) When establishing rates for disposal sites, in addition to other factors specified in this section, the County Court shall consider the type of site, the cost of operation of such site, whether or not the site is open to the public, the type of waste to be disposed of and cost of compliance with Federal, State, and local laws and regulations, together with such other factors which may in the opinion of the County Court affect the rates to be charged. The County Court may establish uniform rates for all disposal sites or may establish different rates based upon the factors specified in this section.

- (4) In determination of rates or proposed rate changes, the Committee and the County Court shall give due consideration to: the investment in facilities and equipment; the services of management; local wage scales; the concentration of customers in the area serviced; methods of storage; collection; transportation and disposal; the length of haul to disposal facilities; the cost of disposal; a reasonable return to the owners of the business; the future service demands of the area or site which must be anticipated in equipment, facilities, personnel, or land; extra charges for special pickups or pickups on days when service is not normally provided on a route; extra charges when the type or character of solid waste, including but not limited to wastes with peculiarly offensive odors, requires special handling or service; and extra charges for providing janitorial services on the premises where service is provided.

- (5) The County Court may require an investigation by the Committee of any proposed rate or rate increase or decrease. For the purpose of making this investigation, the Committee, in cooperation with the Administrator, is authorized to hold public hearings and to take and receive testimony relevant to the considerations to be made by the County Court in establishing a rate or in allowing or denying the rate increases or decreases under this Ordinance. Upon completion of its investigation the Committee shall make a report of the public hearing and shall make recommendations to the County Court regarding the proposed rate.

- (6) In establishing rates or in considering rate increases or decreases, the County Court must find that the rates will be just, fair, reasonable, and sufficient to provide proper

Pa1-0235

1 service to the public. The County Court may consider the
2 rates charged by other persons performing the same or
similar service in the same or other areas.

- 3 (7) In the event no rate has been established for a particular
4 type of service, the Administrator may establish an interim
5 rate until the County Court makes a final determination on
6 the rate for that type of service. In establishing such a
rate, the Administrator shall give due consideration to all
of the factors established as guidelines for the Committee
and County Court in this section.

7 105.040 RATE PREFERENCES PROHIBITED

- 8 (1) No franchise holder subject to rate regulation under this
9 Ordinance shall give any rate preference to any person,
locality, or type of solid waste stored, collected, trans-
ported, or disposed.
- 10 (2) Nothing in this section is intended to prevent:
- 11 (a) The reasonable establishment of uniform classes or
12 rates based upon length of haul, type of solid waste
stored, collected, transported, or disposed of or
13 the number, type, and location of customers served or
upon other factors as long as such rates are reasonably
14 based upon costs of the particular service and are
approved by the County Court in same manner as other
15 rates.
- 16 (b) Any person from volunteering service at reduced cost
17 for a charitable, community, civic, or benevolent
purpose.

18 105.050 RESPONSIBILITY FOR PAYMENT OF CHARGES FOR SERVICE

19 Any person who receives service shall be responsible for payment
20 for such service.
