Call: 541-506-2560

Email: [WCplanning@co.wasco.or.us](mailto:WCplanning@co.wasco.or.us)

STEP  
01

### Submit Application

The Planning team will help you find the info needed for a complete application.

STEP  
03

### Development

Once you get land use, sanitation, and building codes approval, you are ready to replace your building or structure.

STEP  
05

### Get application

Visit the solutions Center at the counter, or at our website

[www.co.wasco.or.us/departments/planning](http://www.co.wasco.or.us/departments/planning)

STEP  
02

### Other Permits

You may also need sanitation or building codes approval. Contact for timelines and fees:  
Building Codes: 541-506-2650  
Public Health: 541-506-2600

STEP  
04

An application for replacement of a structure must be submitted within ONE YEAR of the fire, otherwise it will be reviewed as new development.
