FEE SCHEDULE ATTACHMENT - POLICY & PROCESS

- MNN: There is no fee for LUCS issued with a building permit.
- MNS: Examples include building permits, manufacture home placement permit and agricultural exempt permit applications.
- Fee Waivers:
 - 1) **Applicability**: A Fee Waiver is applicable to Planning Department fees only. All "Other Departmental Fees" must be paid in full or documentation provided that they have been waived, at the time of application submittal.
 - 2) **Ministerial Sign off with Administrative Review**: If an applicant pays for and receives approval of Type II (Administrative/Discretionary) review, all ministerial sign offs associated with that review shall be waived. This includes Building Permit Application, Manufactured Home Placement Permit Application, Agricultural Exempt Permit Application, Land Use Compatibility Statement, Water Rights Application, and Department of State Lands Permit Application.
 - 3) **Organizations – Type I & Type II**: Organizations that have general Planning Department Fee Waiver for Type I – Ministerial applications include: Wasco County Departments, cities within Wasco County, Special Districts, MCCOG, MCCED, CGCC, NRCS, emergency services and Habitat for Humanity. There will be no Fee Waiver for Type II – Administrative applications.
 - 4) **Individuals**: Any individual may request a Fee Waiver from the Planning Director of any development review or appeal fees. To be granted a waiver (or portion of a fee waiver) an individual must provide documentation of household income at or below 150% of the federal poverty level. To prove a hardship, applicants must provide federal tax returns, pay stubs or annual benefit statements. Assistance will be provided based on the availability of funding. Waivers must be approved and granted by the Planning Director prior to submittal of an application or appeal.
 - 5) **Appeal**: Any organization or individual may appeal the Planning Director's decision not to grant a Fee Waiver (or portion thereof) to the Board of County Commissioners.
- Complex Projects: Complex projects involve more resources of the planning and other county departments due to their complexity and their overall impacts on the community. As such, complex projects may even require the hiring of outside assistance. For these types of large-scale projects that require a great deal of departmental resources to review, the county will require the applicant to sign a memorandum of agreement to compensate the county for actual costs incurred to complete the review and process in a timely manner. The agreement shall include details with regards to deposit and the scheduling of payments. If an applicant refuses to enter into a memorandum of agreement or if the applicant and the county fail to reach an agreement, the application will not be processed.

FEE SCHEDULE ATTACHMENT – ADDITIONAL FEE WAIVER SPECIFICS

As part of a fee waiver request, the planning director can require documentation of income at or below 150% of the federal poverty level (FPL) to prove financial need. 150% of the federal poverty level is a measure frequently used by other agencies nationwide to prove individuals' financial need. This measure can be adjusted for household size. Those at or below 150% of the federal poverty level are in poverty. The percentage of the federal poverty level of an individual's income can be calculated using online calculators (http://www.lccaa.net/eligibility_calculator, <http://www.safetyweb.org/fpl.php>).

Documentation that the County can accept to serve as proof of income includes:

- Tax returns (use the adjusted gross income figure)
- Pay stubs (use two months of them)(calculators are available online)
- Annual benefit statements for social security and other benefits, or cancelled checks from the Social Security Administration.

An alternate method to prove an individual's financial need is to require institutional documentation of receipt of public assistance such as TANF (food stamps), SNAP (food stamps for families), Section 8 housing, Medicaid, etc..

The following chart outlines 150% of the federal poverty level.
