

All Other HEARTH Exhibit Entries for Pre-Fair (attach additional sheet if necessary)

NEW: If you have more exhibits in a Division than the amount allowed at state fair (for example: in photography we allow entry of one exhibit per class, yet only two may go to state), it is *extremely important* that you **number rank your exhibits by Division** either below or on the back of the exhibit tag. You will not be present when state fair entries are chosen and this will alert staff to which item you prefer to be sent if limits are exceeded. See *Fair Book in each Division for limits.*
