

Wasco County

Public Records Request Policy and Procedure

I. Summary and Purpose

Oregon Public Records Law (ORS 192.410-192.505) grants the public the right to inspect and copy most public records maintained by Wasco County. The law gives the County the option of not disclosing certain documents. Additionally, Federal and State laws require that certain records be kept confidential. This policy establishes an orderly and consistent process for responding to public records requests and calculating the fees for responding to requests for public records.

II. Policy

It is the policy of the County to ensure that all requests for public records are handled consistent with applicable public records laws. This policy shall be implemented in a manner that minimizes the impact on County workload and resources.

III. Scope

This policy applies to all County employees except for the Sheriff's Department for all records and the office of the District Attorney as related potential, pending or closed investigations. This policy will be administered by the County Administrative Officer's Office.

IV. Procedure.

A. *General approach:*

Public records, except those confidential or that the County chooses to exempt from disclosure, shall be made available on request for inspection or copying, without unreasonable delay. Requestors should be encouraged, but not required, to use the County Public Records Request Form (Exhibit "A"). Unless taken care of immediately, the request shall be acknowledged by sending the Requestor a completed Public Records Request Acknowledgement Form. (Exhibit "B"). Each department shall appoint one or more Public Records Officers (Exhibit "C") who shall be responsible for coordinating and assisting staff implementation of this policy.

B. *Processing the request:*

Absent unusual circumstances, the request shall be processed as follows:

- 1. Initial Assessment.** The staff person receiving or processing the request shall learn as much as necessary about what records are being requested. Simple, routine requests for readily available documents may be handled immediately. In some cases, the requestor may be referred to the County website or other places where records are readily available. Requests from journalist or media representatives shall be handled by a person authorized

to speak with the media.

2. Records Review. Except for routine requests that have been addressed immediately, the Public Records Officer shall make a preliminary determination as to whether the records exist, and whether all or a portion of the contents may be subject to exemption or are confidential. This shall include contacting other departments that may have relevant records. The Public Records Officer shall contact County Counsel before responding if the records relate to pending claims or litigation, or the Officer wants to treat them as confidential or exempt from disclosure. Public Records Officers shall also estimate the cost in staff time and any other expenses required to locate the documents, perform redactions, ensure security during inspection, and otherwise respond to the request. These estimates shall be based upon the applicable rates found in the most current Wasco County Fee Schedule.

3. Response. The Public Records Officer shall communicate the results of the preliminary records review to the requestor, using the Public Records Acknowledgement form. Absent unusual circumstances, no further work should be performed until the requestor responds and pays the appropriate fee or deposit. The fees listed in Exhibit "D" apply to requests not governed by a specific departmental fee or otherwise provided for by law. The requestor may decide to inspect original files or records rather than obtain copies. Reasonable steps must be taken to ensure that the records are protected from being altered, taken or destroyed.

V. Miscellaneous

A. *Disclosure format:*

Reasonable requests for a particular format or type of copy should be granted, such as providing a CD-ROM of electronic documents rather than a hard copy. Reasonable steps must be taken to accommodate persons with disabilities and no fee may be charged for such an accommodation.

B. *Waiver or Reduction of Fees:*

The County may furnish copies without charge or at a reduced fee if the County Board of Commissioners determines that making the record available primarily benefits the general public. The law prohibits waiving fees if the records were created through use of certain constitutionally dedicated funds, such as fuel taxes or motor vehicle fees, unless the cost of charging the fee would exceed the cost of providing the record.

C. *Destruction of Records:*

No employee shall alter or destroy a record that the employee reasonably thinks is subject to a current or reasonably anticipated public records request or is relevant to current or reasonably anticipated litigation. This includes records otherwise eligible for destruction.

D. *Special Circumstances:*

The Public Records Officer or County Counsel shall be consulted whenever the request raises unusual or special concerns. Examples may include: copyrighted materials, records relating to current tort claims or litigation, records held by county contractors and requests made directly to elected officials.
