Step 4: Opening Map Contents and turning on Map Contents features

Step 5: Locate a parcel and open Property Information

The screenshot shows the Wasco County Web Map interface. On the left, a search box contains the text "1S 12E 0 1100". Below it, a list of results shows "1S 12E 0 1100" and "1N 12E 0 1100". An arrow points from the search box to the text: "Enter map and taxlot information. Select the parcel and the map will zoom to the property." Another arrow points from the search box to the text: "Select 'Find Parcel' to open the search tool". In the center, a property information popup window is open for taxlot "1S 12E 0 1100".
